

Notice of Proposed Amendment to Baker West Neighborhood Association Bylaws

In accordance with the Bylaws, notice is hereby given by the Board of Directors that the following Bylaw amendment will be considered at the NEXT membership meeting having an Organization Quorum.

Amendment #2008-004: Removal of requirement to be a member to participate in committees

Proposal: Remove statement that requires you to be a member to serve on a committee.

Section 1. Standing Committees The BWNA's Standing Committees have the authority to exercise the management of specific areas of interest to the Association and coordinate their activities with each other through the Board of Directors. The Board may add to the core areas of responsibility and objectives for each Standing Committee noted below. ~~Volunteers usually staff these committees and any member of the Association may serve.~~ **Any adult may volunteer to become a committee member. The Board of Directors shall create a written policy and manage all issues arising from non-members serving on Standing Committees.**

Rationale for Change

We don't want to limit members of a committee to only members. There will be times when we want to include non-members.

Parliamentary information: Primary and secondary amendments to these proposed bylaw amendments are in order only if they are *germane* to the proposed bylaw amendments and are *within the scope of the change proposed in the notice*. "Amendments" which do not seek to directly change the text of the proposed amendments within the limitations of germaneness and scope, but instead propose to amend other parts of the affected section amount to new bylaw amendments will be out of order. Notice of such new proposed bylaw amendments may be given when there are no other pending motions
