

BAKER WEST NEIGHBORHOOD ASSOCIATION

BYLAWS

Amended: June 4, 2008

5

PREAMBLE

10 The peaceful assembly of people to affect change is a fundamental right guaranteed by the Constitution of the United States of America and the Constitution of the State of California. People may choose to organize themselves as a group for any number of reasons.

15 To the limited extent that such an assembly (“Association”) becomes a significant fraction of the larger population from which it derives, and the aims of the Association are not in conflict with those of the population, the Association may assume to speak for, and attempt to represent, that larger population with some legitimacy. Furthermore, an Association’s authority to act comes from its members; therefore, without yielding any authority or organizational control, the members of an Association may elect from themselves certain persons to represent, guide, or speak for the whole.

20 These BYLAWS define the aims, rights, and responsibilities of a certain people, residing within a specific neighborhood, organizing in peaceful assembly as an Association.

ARTICLE 1 -- NAME

25

The name of this Association shall be Baker West Neighborhood Association (“Association” or “BWNA”) located within the City of San Jose, County of Santa Clara, in the State of California, United States of America.

30

ARTICLE 2 – PURPOSE and GOALS

Section 1. Purpose The purpose of this Association is to be a vehicle for realizing the collective goals of the members as those goals relate to fostering and maintaining a high quality, safe, and friendly living environment.

35

Section 2. Goals The goals, and their priorities, for this Association will be defined by majority vote of the membership at the first several BWNA meetings and updated thereafter as needed.

40

ARTICLE 3 -- DEFINITIONS

Section 1. Standing Definitions. The terms defined as follows shall be considered standing definitions and will appear Capitalized in these Bylaws:

45

a. Bylaws. The capitalized word Bylaws refers to the BWNA Bylaws, rather than generic bylaws. The bylaws are a set of closely interrelated and customized rules that fundamentally define an organization and its governance. The nature of bylaws establishes a contract between members and defines their rights, duties, and mutual obligations even when a member is not present. What a constitution is to State and Federal government, the bylaws are to the governance of associations.

50

b. Majority. A majority is defined as a number greater than one-half (1/2) of the total.
A majority vote is defined as a number greater than one-half of the votes actually cast.
A 2/3 vote is a number equal to or greater than two-thirds (2/3) of the votes actually cast.

- c. The Voting Membership is a number equal to the sum total of Residential Addresses, each having at least one Full Member in Good Standing (see below). Individually, each member of the Voting Membership is considered a Voting Member.
- 5 d. Organization Quorum. A quorum of the organization, defined as a majority of the Voting Membership, is required in order to hold specific critical meetings.
- e. Standard Quorum. Unless otherwise required in these Bylaws, a meeting quorum consisting of Voting Members in Good Standing from 10 separate Residential Addresses, excluding from this count any Board of Directors
10 members present, suffices to conduct most business.
- f. Written Petitions. All written petitions require the signatures of either ten (10) members, or ten percent (10%) of the Voting Membership, whichever is greater.
- 15 g. Member in Good Standing. A member is in good standing if the Residential Address dues are current, any other personal monetary obligations to the organization are fulfilled, and any member from the same Residential Address has attended at least one (1) other meetings within the last six months. (NOTE: Definition does not take effect until after the 4th General Meeting after the first year's officers have been elected.)
- 20 h. Annual Meeting. The annual meeting is the meeting at which the officers shall be elected for the ensuing year, and at which other significant business is conducted in accordance with these Bylaws, and is described in Article 7, Section 3b of these Bylaws.
- 25 i. General Meetings. Regular meetings between the Board and the Membership typically prescheduled for an entire year as set forth in Article 7, Section 3a of these Bylaws.
- 30 j. Residential Address. The address of the place (house, building) at which a person lives, typically given by a "house number", "street name", (apartment number, if applicable), "city", "state", and ZIP-code. A post-office box number is not a valid Residential Address, but it may be a USPS mailing address. Annual dues, event discounts, and membership voting at meeting are tied to the Residential Address, as being "one per."
- 35 k. Total Number of Residential Addresses. The total number of Residential Addresses, located within the stated boundaries of the Association, shall be determined using the appropriate Santa Clara County Assessor maps for houses (adjusting the count by removing those buildings known to be office or commercial buildings), and for apartment buildings or complexes the total number of apartment shall be determined from a physical survey, or by locating data on the Internet for that complex.
- 40 l. Participation Rate. The "Participation Rate" is the calculated percentage of Residential Addresses that have signed up a Voting Member, in comparison to the total number of Residential Addresses within the Association's boundaries. [Example: If the total number of all addresses consists of 381, and the Association has Members in Good Standing from 45 distinct addresses, then the Participation Rate is $45/381 = 0.118$ or 11.8%.]
- 45 m. Mailing/Mailed. A message (the mailing) may be mailed (delivered) by physical means, or electronic means (if member has that capability).
- n. Roll Call Vote. A method of voice voting requiring each Voting Member to answer "yes" or "no".
- 50 o. Chair. The word "Chair" defines the presiding person at meetings; this word replaces others such as chairman, chairperson or chairwoman. The proper mode of address for this person is "Mister Chair" or "Madam Chair"; for elected officers, the title such as "Madam President" or "Mister Vice-President" may be used.

Section 2. Provisional Definitions. All terms not previously defined as Standing Definitions shall be defined according to the current edition of MERRIAM-WEBSTER'S COLLEGIATE DICTIONARY.

ARTICLE 4 – ASSOCIATION IDENTITY, GOVERNANCE, AND FISCAL POLICY

Section 1. Independent Entity

- 5 a. Not-for-Profit: The BWNA is an independent, not-for-profit organization, and is not affiliated with any commercial, religious, or political entity.

A special invitation may be issued by majority vote of the Voting Membership present and voting. Only the outcomes and final decisions shall be entered in the minutes of a Closed Meeting, or be discussed outside of that Closed Meeting.

The president shall be the Chair for this Executive Committee. All officers must be present at all Executive Committee meeting at which decisions are made, and may not vote by proxy or by absentee ballot. ExecCom meeting frequency shall be “at need” by majority vote; meetings need not be face-to-face, but could be by phone, or video, conference. The ExecCom may adopt such procedural rules as it deems necessary to the conduct of its business so long as they do not conflict with any specific provisions of these Bylaws, or by laws or codes external to the Association. The ExecCom shall:

- a. Be responsible for conduct and management of the Association including budgeting and expenditure controls to ensure the fiscal solvency of the Association, ensure the maintenance and preservation of Association records that might be required for an audit, and monitor critical indicators of Association viability;
- b. Prepare a fiscal year budget and submit it to the assembly at any meeting prior to March of that year for approval;

Section 3. Critical Task: Participation Rate Monitoring.

The Participation Rate is critical to the long-term survival and legitimacy of the Association to represent and speak for the neighborhood. The Participation Rate must be monitored and action taken based on the results.

- a. During the sixth (6th) month of each fiscal year, starting with the second (2nd) year after Bylaws ratification and every year thereafter, the ExecCom shall review membership sign up data for the prior twelve months and calculate the average Participation Rate for the previous twelve months. (Example: Out of a total 381 possible addresses an average of 54.6 addresses showed membership over the last twelve months; the average percentage is thus $54.6/381 = 0.143$, or 14.3%)
- b. If that average percentage falls below ten percent (10%), the ExecCom must either, create and implement a plan to increase membership and for the next 12 months monitor the data monthly for improvements, or they shall implement a “Proposal of Disassociation” (Article 12, Section 1), and allow the membership to determine the continued existence of the Association.
- c. If the average falls below 5%, the ExecCom must implement a “Proposal of Disassociation”.

Section 4. Modification of Officer Responsibilities.

Reassignments of officers’ responsibilities, not in conflict with these Bylaws, are within the scope of the ExecCom’s authority; such must be in writing and agreeable to the officers affected, and approved by 2/3 majority of the ExecCom.

Section 5. Officers, General Aspects.

- a. Term of Office. The term of office shall be for one (1) year or until a successor is elected and assumes office. No officer may hold the same position for more than four (4) terms. Officers shall start their term on the first day of the first month after being elected. Officers shall train their successors and turn over to them all records in a current condition upon leaving office.
- b. Nomination. Nominations from the floor for officers shall be opened at a General Meeting or Special Meeting immediately preceding the Annual Meeting. A Full Member in Good Standing may run for only one office and must accept or decline upon being nominated. A nomination requires no second (although it may be offered as a sign of membership support), and self-nomination is allowed. Nomination for each office shall be considered closed when no further nominees are forthcoming and at least two warnings of closure have been given.
- c. Nominee’s Right to Address Members. After the nomination for each office has been closed, each nominee for that office shall be given the opportunity to address the members for a time up to three minutes. Up to three minutes more will be available for members to question the nominee, with no more than one minute per question and answer.
- d. Elections. Election of officers to serve the following year shall take place at the Annual Meeting. Officers shall be elected, one officer at a time, in the rank order listed in these Bylaws, by majority vote of the members present and voting using secret balloting unless there is only one nominee for office. Only nominated candidates may be written on the ballot; no “write-in” candidate will be counted. Any nominee running unopposed for a given office shall be considered elected without need for a ballot. If more than two nominees are running for the same office, and none receive a clear majority vote, the membership shall vote until one person has obtained a majority. In case of a tie between two nominees, a decision by lot shall be made for any unresolved tie after three ballots.

- e. Vacancies. If an officer is recalled, resigns, or becomes ineligible, the office shall immediately become vacant. If the office of president is vacant the vice-president shall immediately assume the duties of president until the expiration of the previous president's term. An eligible member appointed by the ExecCom for the remaining period until the next annual election shall fill any other vacancy on the ExcCom. The appointed officer must be approved by a majority vote of the membership at the next General Meeting, and will remain in office until the expiration of the original term of office.
- f. Recall of Officers. Any officer may be removed from office for misconduct, misuse of funds, or dereliction of duty. The ExecCom by majority vote, or members' Written Petition, may initiate proceedings for a recall. The notice of the intended recall, stating the reason(s) for such, shall be filed with the Secretary. Notice of such action shall be Mailed to the membership. At the next General Meeting or a Special Meeting called for this purpose, at least six (6) days after the Mailing, a hearing on the matter will be held and a two-thirds (2/3) vote of members present and voting will be required to sustain the recall.
- g. Resignation. Any officer may resign from office by providing a written, dated, and signed notice to the secretary. The president receives, and signs for, custody of the departed officer's needful and current records of office until a replacement officer is installed.

ARTICLE 9 –BOARD OF DIRECTORS

The officers (ExecCom) and the Chairs, or non-voting designated representatives, from each of the Standing Committees shall constitute the Board of Directors (the Board).

Section 1. Duties. The Board of Directors shall:

- a. Establish for themselves written operating procedures, identify responsibilities assigned to each Committee Chair subject to the broad outline provided by these Bylaws, and create written objectives and responsibilities assigned to each Standing Committee.

- a. Meetings. The Board of Directors shall meet at least four (4) times annually at times determined by majority vote. The president may call special Board meetings at any time and shall call a Special Meeting upon request of three (3) Board members. In either case, six (6) days' notice shall be given.
- b. Board of Director Quorum. Three ExecCom members and a majority of the standing committees' Chairs establish a Board quorum. A standing committees' Chair designated representative, not having authority to vote, cannot be counted for purpose of the quorum.
- c. Closed Meeting. The Board may at any time designate a Board Meeting or part of a Board Meeting to be a Closed Meeting by a majority vote of the Board. Only the members of the Board may attend a closed Board Meeting without a special invitation (determined by majority vote) from the Board. Only the outcomes and final decisions entered in the minutes of a Closed Meeting are to be discussed outside of that Closed Meeting.
- d. Minutes. Minutes must be kept at each Board of Director meeting. Copies of the previous minutes are to be provided at the following meeting. A record of how every Board member votes must be kept.

ARTICLE 10 -- COMMITTEES

Section 1. Standing Committees The BWNA's Standing Committees have the authority to exercise the management of specific areas of interest to the Association and coordinate their activities with each other through the Board of Directors. The Board may add to the core areas of responsibility and objectives for each Standing Committee noted below. Any adult may volunteer to become a committee member. The Board of Directors shall create written policy and manage all issues arising from non-members serving on Standing Committees.

- a. Membership. Members are the power behind, and reason for, the Association. One of the goals of the Membership Committee is to determine the needs and goals of the members, and of potential new members, and make recommendations that would lead to increasing Participation Rate. The committee is charged with maintaining accurate membership records and with keeping the membership database secure and private. The "Street Teams" subcommittee members shall distribute notices and flyers of pending Associate activities and look for opportunities for the Association to better serve members or potential members.
- b. Community Relations. If members are the power of an organization, then funding sources provide the fuel. The Community Relations committee's primary responsibility is to identify local businesses that may wish to become Associate Members, and other organizations that might provide funding or in-kind services to the Association. On an even larger scale, this committee shall coordinate attempts to obtain grants from the city or other governmental sources.
- c. Event Planning. This committee shall determine ways that the Association can have fun, even when working. It shall plan and execute, (subject to any ExecCom funding limitations), in coordination with the other committees (Membership, Safety and Communications), all events sponsored by BWNA. In so doing the committee shall take into consideration the total diversity of the membership.
- d. Community Service. This committee shall identify and explore opportunities, small or large, and venues available for the Association to give back to the community at large, or even to help a neighbor down on his/her luck, including partnering with other neighborhood associations or other service-based organization for activities. Any such activities should be coordinated with the other standing committees.
- e. Safety/Neighborhood Watch. Safety issues including disaster preparedness and crime prevention are usually high on the list of priorities of the membership. This committee, at an on-going basis, shall identify and research issues that affect the safety of the neighborhood and recommend mitigating action plans for consideration to the membership; such action may include the sponsoring of training classes, perhaps in partnership with other neighborhood associations.
- f. Communications. Information dissemination concerning, and about, the BWNA is the primary responsibility of this committee with the target audience being the membership of BWNA, the Associate Members, the media, and the District 1 office. The committee shall also help to coordinate activities with other neighborhood associations.

Section 2. Committee Meetings. The frequency of committee meetings is to be agreed upon between the committee and the Board of Directors. A committee is free to develop its own style of operation. However, committees are expected to follow general BWNA rules and code of conduct, and any policies or requirements defined by the ExecCom.

Section 3. Committee Chair

- a. Appointment of Committee Chairs. Committee Chairs shall be appointed by a majority vote of the ExecCom, and serve at the pleasure of the ExecCom. A member has the right to decline the appointment. A Chair must be and remain a Full Member in Good Standing, and will become a member of the Board of Directors.
- b. Committee Chair Responsibilities. Each committee Chair is responsible for: recruiting committee members from the general Membership and maintaining an active committee of at least two members in addition

to the Chair, developing an action plan to meet the Committee’s objectives, requesting funding from the Board for planned activities, guiding the Committee to meet its action targets, and reporting its activities at the meeting of the Board of Directors in a timely manner. If needed, a Chair may send a designated representative to substitute for the Chair at a Board meeting; the representative has the authority to speak for the Chair but not the power to vote. Each committee Chair will provide a year-end summary report at the Annual Meeting. All Standing Committees Chairs are required to aid in the update of their respective portion of the BWNA website by providing timely information to the communication secretary.
